Future GC Forum: Driving Analytics Into Action

Heyward Bonyata spoke on Tuesday at the Future GC Forum, a recurring event hosted by PwC, Nelson Mullins, and Lucas Group. The forum is an initiative for attorneys who have been practicing for at least 5 years and who are interested in the general counsel role as their next career move.

Bonyata sat on a panel alongside Adwoa Gharthey-Tagoe Seymour and Brenden Bixler to address the importance of data and analytics in making strategic decisions within a legal department.

The next forum will be held on Jan. 24 at Nelson Mullins' Atlanta office.
